Il sistema Keen si abbina con disinvoltura ad arredamenti di stile sia classico che moderno grazie al suo design minimal. Perfetta fusione tra contenuto e contenitore, grazie alla sua duttilità e alla personalizzazione delle superfici, ha inoltre la possibilità di essere personalizzata con tutte le finiture disponibili nella collezione Vetro di Tumidei.

The modern Keen system effortlessly matches with both classic and modern style furnishings thanks to its minimal design. Perfect fusion between content and container, thanks to its ductility and the various available surfaces, it can also be customized by using all the Vetro Tumidei collection available finishes.
