

Il sistema letto TOMMY si compone da 4 diverse misure di testata, che si sviluppano in orizzontale e da 5 basi letto che assolvono in modo completo a tutte le esigenze di spazio e comfort. Tutte le testate e le basi letto sono interamente sfoderabili e intercambiabili.

The TOMMY bed system is made up of 4 different sizes of headboards which expand horizontally and 5 bedframes which completely fulfill every space and comfort demand. All headboards and bedframes are completely removable and interchangeable.

Le misure dei materassi sono le stesse dei giroletto
Mattresses sizes are the same as the bed frames ones

piede in tessuto
foot in fabric

piede in alluminio naturale o laccato
foot in natural or lacquered aluminum

Rivestimento esterno, lastra in poliuretano espanso, imbottitura in lastra di poliuretano espanso, struttura in legno massello di abete con piano di appoggio a doghe di legno rinforzato da angolari in metallo, piedi in PVC di serie.

External covering, polyurethane foam sheet, polyurethane foam lining, solid fir wood structure with support surface and wooden slats reinforced by metal corners, standard PVC feet.

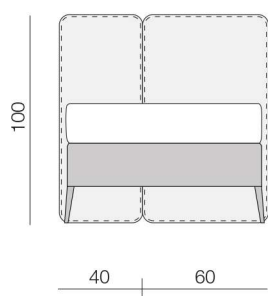

Le testate sono indipendenti fra loro e possono essere assemblate creando composizioni personalizzate, arricchite dai molti tessuti presenti nel catalogo TUMIDEI. La base letto è composta da un box sommiers per dare il massimo confort e da due piedi in fusione di alluminio, che possono essere personalizzati con tutta la gamma di laccature TUMIDEI o ricoprirsi in tessuto grazie al rivestimento del piede tessile.

The headboards are self-standing and can be assembled creating customized compositions thanks to the range of fabrics available on TUMIDEI catalogue. The bedbase is composed by a sommier box, which gives the maximum confort, and by two aluminium feet, which can be personalized by using the range of TUMIDEI lacquered colours or they can be covered in fabric, thanks to the textile feet covering.
